PRESIDENT'S MESSAGE

Past Players Inspire Older Teams

Last week, three past players (Theo Thompson, Nick Edwards and Kade Answerth) were guests of honour at an evening for our U15 & U16 teams. These young men have been incredibly successful with their football and it all started right here at the Caulfield Bears. Two of the three Players started their careers in the U9s (the other in U12s) and they played all the way through to U17s. Along the way the team picked up several premiership flags under the guidance of our Coaching Coordinator, Gary Birrell and these three have since gone on to play football at very high levels – watch out for these names at the Draft this year!

The Players reminisced fondly about their time at the Bears and their refusal to move to other Clubs perceived as “more successful” despite repeated attempts to lure them away. They loved playing with their mates and sticking with the same team and to them that was the focus. It also demonstrates that if you are enjoying your football and playing well, you will be noticed and will progress without having to be in a Division One side. Nowhere is this more evident than this year's Bears Inter-League star Nick Kariminhos who plays in a Division Four team.

Louise Nelson, President

SMJFL NEWS

General Manager Announcement

The South Metro Junior Football League is pleased to announce the appointment of Ms. Sarah Loh, as the league's new General Manager.

Ms. Loh brings to the SMJFL a wealth of sports & recreation industry experience. She has previously served management roles with multiple Local Government Associations (Councils & Shires) and has filled the position of Executive Officer at Dragon Boat Victoria and Ice Hockey Victoria. She has been also been a senior industry consultant and a lecturer within the School of Exercise Science & Sport, at Victoria University.

She holds a Masters degree in Sports Business from Victoria University.

SMJFL Chairman Mr. Peter Ryan said Ms. Loh was the outstanding applicant in a quality field.

"We are thrilled to have Sarah join us at the SMJFL," Mr. Ryan said.

"Sarah brings a significant amount of local government experience, she has worked in other sports and lectures in sports administration. The board believes that Sarah will be a fantastic addition to our league."

Ms. Loh will commence her new role with the SMJFL on Monday 8th August. She replaces Mr. Jake McCauley, who finishes on Monday 22nd August.

SMJFL By-Law of the Week

10.9

Team Bench

10.9. In addition to players participating in the match, the following Team Officials are permitted in the Team Bench area during a football match:

- Coach
- Assistant Coach
- Trainer
- Runner

10.10.No other person is permitted in the Team Bench area during the match.

10.11.Team Officials and players in the designated Team Bench area must not be within one metre of the boundary line at any time other than during the breaks.

LIGHTNING CARNIVALS

U9s Lightning Carnivals this week at Bentleigh

Come and support our U9 teams this week at King George Reserve in Bentleigh for their Lightning Carnivals. Our U9 Grizzlies kick off at 9 am in a group consisting of East Brighton, St Bedes/Mentone and Bentleigh. Our U9 Kodiaks are later in the day at 3pm with games against East Malvern, Oakleigh and East Sandringham.

Please see map below for more information and note that parking is limited.

RCD Foundation

Once again the Lightning Carnivals will work closely with the **Robert Connor Daves Foundation** to raise money and awareness for brain matters. Volunteers will be roving the venues with an array of fun activities and give aways.

Match Day Photos

Match Report Language

We understand not everyone given responsibility for writing the match report is confident in their writing. We do ask to be sensitive about some of the language used and to be considerate of all team members. For example, referring to "the boys" where you have girls in your team, whilst

MATCH REPORTS

U16s

Division 4: Caulfield Bears 7.6 (48) def by Mordialloc Braeside 7.11 (53) at Gerry Green Reserve

Short staffed again for today's round 13 clash, 16 available players.

We won the toss and elect to kick with the assistance of the force 10 gale to the Nepean Hwy end. Long kicks required on the big ground to take advantage of the conditions

As planned we kicked clear to lead by 27 to zip at quarter time.

Our second quarter went to plan holding the opposition to only 2 goals with good pressure and some solid tackling. Mordy-Braeside assisted the score line by amassing 7 behinds with some indirect kicking

Jake went down with an ankle injury in the 3rd quarter which left us down to 15 players. Mordy-Brae kicked 3 goals against the wind to pull them within 13 points as we turned for home.

Some desperate defence against a relentless attack had us fighting to hold onto our lead, The dam walls finally broke with only minutes left as Mordy-Brae kicked the winning goal with minutes only left

The lack of numbers on field took its toll but we were not disgraced

Next week brings on Ajax at home and we need to quickly turn around the form to have momentum with hopefully finals only a few weeks away. Let's get to training to get the season back on track.

Goals: Martinez 3, Israel 2, Jeanes, Walsh

Awards: Killmartin, Jeanes, Lundgren

U15s

Division 3: Caulfield Bears 3.2 (20) def by Ormond 8.5 (53) at Koornang Park

Well, it was always going to be a tough one against Ormond: top of the ladder and tough but fair competitors. The Bears had three things going for them: Grit, determination and the fact that it wasn't being played first thing in the morning so the Bears had woken up properly.

Ormond like to play a free-flowing, spacious game and from the first bounce, they weren't allowed to do that! The coach had asked for 100% effort and by jingo, by crikey, he got it in spades. The tackling was absolutely brutal and no matter how hard Ormond tried, they just kept running into a wall of Bears. I'm sure from the boundary line we could hear of few of them singing "I want to break free" to themselves but the Bears were responding with "We are the champions".

Unfortunately, you only have to open the door a crack before Ormond will drive the goal bus through it and so it was, with Ormond battling probably as hard as they had too all year to pull out a win. The low scores and the low margin (for Ormond) showed that they did not have an easy day of it and our men can be rightly proud of the efforts.

Game highlights:

John – Gathering up 32 possessions on the one run past the pavilion: He tapped, he kicked, he soccered, he dodged to the left, he dodged to the right, running 50 meters again seven Ormondians then worked it centre for a goal assist.

Hudson (award) – Whatever he had for breakfast, I'll have some of that! A tough, uncompromising game. Even I had to sleep with the light on after watching his ferocious efforts!

Jack (award) – The man who can't stop running. Must have rocked up 100 tackles and was found at the bottom of every pack. Inspiring stuff.

Frenchie (award) – James does such a good job in the ruck, it's easy to forget that he does his own roving, tackles, marks and kicks like a madman! Most ruckmen tap the ball out and then sit back and admire their work. An unrelenting competitor.

MATCH REPORTS

U14s

Division 4: Caulfield Bears 18.8 (116) def Waverley Hawks 0.3 (3)
at Columbia Park

On a bitterly cold day, we journeyed out to Melbourne's coldest suburb at Waverley. For the 2nd week in a row we had a full team of 24 fit players, so the "brains trust" would have their work cut out organising rotations. The Hawks score the 1st point before Harro goals after getting on the end of a chain of possessions which started in defence with great work from Lurch, who beat 3 opponents. Soon after Mazz marks after the good work of Vas and goals, Mazz again marks on the goal line and we are off to a flyer. All the boys are running hard at the footy in great signs, but the strong breeze making attractive football difficult, Matty chases hard and runs down his opponent in a great effort and earns a free, Jaffas having a purple patch in defence with many possessions, and his efforts alone just before the siren stops an opposition score. At ¼ time we are 19 points ahead.

Jaffa starts the 2nd term with another kick, which he gets to Harro, he drops the mark but recovers and swings around and kicks his 2nd goal. After this there is extended time played on the "dead" flank, with the boys unable to follow Bullys directions to get the ball to the attacking side and use the wind. At the 12 minute mark, Matty swings into action and kicks 3 goals in 5 minutes, and the game was as good as over. Just before the siren, Josh marks and passes to Mazz, who goals after the siren to see us 49 points to the good.

Start of the 3rd term and Joel receives a free kick in the ruck, Henry though uses his initiative and takes the advantage and plays on and goals, Mazz takes a big overhead mark and kicks his 4th, Ethan gets in on the act and goals, and it's now a procession, Mazz again marks and plays on and goals & Beau marks 10 metres out and goals. Dylan is running riot, but gets a nasty corkie and done for the day, Ethan kicks his 2nd, and LT swoops and goals to put us 92 points up at ¾ time.

Start of the 4th term and the Hawks have put spares back in defence, but that doesn't stop Ethan, who kicks a further 2 goals to finish with 4 for the game, and Mazz, who is playing in the back pocket, somehow finds himself forward to kick a 6th goal in a magnificent effort. We run out 115 point winners, and whilst the forwards did a great job in kicking 18 goals, much of the credit needs to go to the mids and defence in keeping the Hawks goalless and for continually moving the ball to the forwards. This week we play the 2nd team in East Malvern, and will be an indicator of where we sit heading towards finals.

Goals: Mazz 6, Ethan 4, Matty 3, Harro 2, Henry 1, Beau 1, LT 1

U13 McKinnon Caulfield Bears

Division 4: McKinnon Caulfield Bears 3.7 (25) def East Brighton 3.6 (24)
at Koornang Park

This was always going to be a challenging game. After a strong game last week our boys appeared to be well prepared with the right amount of confidence to take on the top of the ladder team. In cold and windy conditions the teams were very evenly matched. Another strong performance of tackling and pressure in the first quarter gave our team belief that we were in with a chance today.

At three quarter time the scores were tied at just 11 points. At the last break it was clear that our boys wanted to win. The last quarter was again closely contested with no team really getting any advantage in the first five minutes. Then the game seemed to break open. East Brighton scored two quick goals. The next five minutes of play the ball was trapped in our forward line and we kicked two goals after hitting the post. With just a couple of minutes to go our boys defended well and we won by a point. An exciting four quarter performance and all the coaches and parents were so proud that the team refused to give up.

Goals: Nick Karamihos 2, Boopa Munasinghe

Best: Nick Karamihos, Ben Mursalo, Jack Trilby, Boopa Munasinghe, Thomas Edge

MATCH REPORTS

U12 Polars

Division 3: Caulfield Bears 3.5 (23) def by East Malvern 7.13 (55)
at Stanley Grose Reserve

Cold windy day.

Q1: We were against the wind and played really well. Andrew Callaghan, Nick Johnston and both Toms stood out. Tom Williamson kicked a goal.

Q2: probably our best session of the season, the entire team stepped up and we kicked 2 goals to take the lead at half time 21-12

Byron was outstanding and kicked a goal, Tom Williamson kicked his second....Angus, Andrew and Luca as well as Tom Magart stood out.

Q3: We were against a strong wind and the opponents took full advantage scoring 5 goals. Jenna and Byron were the stand outs

Q4: A better period, the entire team showed better fight, both Toms, Angus x2 Luca, Jacob, Sahil, Charlie, Jenna, Nick got involved in the game.

Byron who celebrated his 100th game last week (what a great achievement from this kid), was outstanding today, he tackled, marked and dominated the contest.

Well done to all, a much better team effort.

Goals: Tom Williamson 2, Byron 1

Awards: Angus, Luca and Byron

U12 Grizzlies

Division 4: Caulfield Bears 0.0 (0) def by St Kilda City 7.6 (48)
at Highett Reserve

Miro lead the team on to the ground and ran through his 50th game banner. The wind was howling and the Grizzlies started with a lot of intent. Top of the table St Kilda City began with several strong forward thrusts. Aiden and Noah stood firm in defence with Evan repelling the ball. The Bears back line was under pressure, most of the first quarter and St Kilda City scored 2 goals.

The Grizzlies had the wind in the second quarter and worked hard to try and penetrate the oppositions defence. Teddy was in and under the packs as usual and Miro was starting to find the ball. The 2 James's drove the ball forward several times without reward. Max and Harry worked together to clear the ball out of the back half and the second quarter finished with no reward on the score board.

With Jesse badly injured, Tess was asked to play in the ruck and take on the St Kilda City goliath, she did a fearless job to curb his influence. Aiden and Clem cleared the ball deep from the backline and Harry reading the play well worked hard to relieve the pressure. Jonah forced the ball forward with his straight ahead style. But the Bears still couldn't trouble the score board.

The last quarter saw the boys battle on with much courage however like the previous 3 quarters there was no reward.

MATCH REPORTS

U11s

**Division 3: Caulfield Bears 1.4 (10) def by Bentleigh 4.10 (34)
at Koornang Park**

1st quarter: It was a cold morning and the boys were running towards the Koornang Rd end. They started slowly with play confined mainly to the Bears forward pocket. Unfortunately we failed to trouble the score board for the first quarter but defence was strong at times and keeping the opposition to only 1 goal and 6 points was a respectable effort. Highlights were a good mark by Will, a good smother by Ruben and a solid mark by Jackson Cauchi.

2nd quarter: It was more of the same unfortunately for the 2nd quarter with the opposition keen to continue their dominance. Highlights were a good mark by Lucas, Jackson again was very strong and really showed the opposition that the Bears know how to play the game demonstrating some good marking and very good kicking skills. Ben took a nice mark as did Will in defence. Unfortunately the score board ticked over another goal and 2 points for the opposition with the bears still to register.

3rd The third quarter looked better for the Bears even if the score board didn't reflect the state of play. A quick goal by the opposition early in the quarter due to our players being flat footed wasn't enough to deter them. Although the opposition finished the quarter another 1 goal and 2 points up with the Bears still yet to register a score, the intensity of the players was greater and you could sense a self-belief returning for our boys. Unfortunately the boys failed to capitalize on some of the wins from the tap outs. Late in the 3rd quarter they started to really lift and were unlucky to have not scored at least a point given they were far more determined and stepped up. Highlights were a good mark by Lucas, similarly Nick took a strong mark in defence in the goal square.

4th The last quarter was when the boys really stepped up and showed the opposition that they knew how to play the game. Had the Bears played like that for 4 quarters, I am 100% certain that the score would have been very different and it would have been the Demons who were going home with a bruised ego. The scoreboard for the final quarter reflected this and should have shown more in Caulfield's favour as I was certain that one point was in actual fact a goal. Excluding that fact, the final quarter was 1 goal, 4 points to the Bears vs 1 goal 0 points to the opposition, which only confirmed the fact that the boys were more than the opposition's measure; they just failed to gel as a team for the first 3 quarters.

That aside, highlights were a goal by Nick, a good mark by Lucas, more good marks by Jackson (was possibly the best player on the field for the bears that day), and a good mark by Charlie Besnard.

Try and make these last few training sessions really count and give 100% for your remaining games. Go Bears!

MATCH REPORTS

U10 Grizzlies

Caulfield Bears vs St Pauls McKinnon at Koornang Park

“We only have 3 weeks left this season and we want to see your best game ever” was the simple pre game message from Assistant Coach Matt Joyce.

The game started nicely with some nice ruck work by Tom Perry. Jeremy Dalton swiftly capitalized on Perry’s handy work and despatched the ball to Jack Joyce for a beautiful mark. Seb Poole stamped his authority on the game early and delivered the Grizzlies a behind. St Paul’s responded by working the ball through the corridor to their forward line. The grizzlies thwarted St Paul’s offensive efforts with a lovely mark by Nick Jones and some exceptional running work by Poole, however the opposition’s efforts were rewarded with a deserved goal not long after. The Grizzlies response was swift with some great work by Henry Abbott, who weaved his way through the middle. Ollie Jackson stepped up and secured the Grizzlies second minor score, which was soon followed up with a rushed behind just before quarter time. The Grizzlies started the second quarter with some great ruck work by Ollie Calder. However, St Pauls responded to their quiet first quarter and delivered series of successive forward thrusts. Hugo Hales tried to stem the flow by stepping up with a quality mark but St Paul’s continuous offensive pressure was starting to tell.

After some soul searching at half time by the Grizzlies Jake Gurrie started to worry the opposition and secured a couple of great goals for the Bears. Supported by Poole and Dalton, the home side started to lift with Lachlan Mackie securing a behind heading into the last quarter.

With some of the Grizzlies leaving early to attend First Holy Communion the Bears were in need of some divine intervention as the last quarter took hold. Whilst Paddy Hanley worked his way into the game with some nice running work in the middle, St Paul’s punished the bears for their defensive sins and finished the game with 3 successive goals. Onwards and upwards!

U10 Kodiaks

Caulfield Bears vs East Brighton at Hurlingham Park

The Kodiaks worked really hard against a strong cross wind to keep the East Brighton Vampires quiet for three quarters. It wasn’t until the final term that they broke away with three goals. Our hard work early paid off with Ted kicking a goal in the first quarter from a 45° angle. This was followed by Tom’s great mark at half forward, but the windy conditions made it difficult to convert. In the breaks coach Mathieson described the Kodiaks’ tackling as “absolutely sensational” and “exceptional”. While it was a great team effort, good contributors in the tireless tackling were Lucas, Ash, Ged, Jacob, Ramsey, Rocco and Adam. Finn consistently repelled the Vampires’ attacks out of defence into our forward line throughout the game. He delivered good passes to Ged, Jacob, Ash and Harvey. Our rucks, Viv and Gisele, delivered good tap outs from the clearances, and Gisele following up with handpasses from her own ruck work. The tireless efforts by our forwards in Ryan, Mohan, Kobie and Jesse, is also acknowledged.

Awards: Viv, Ramsey and Tom.

U10 Polars

Caulfield Bears vs Highett at Highett Park

Was an icy day confronting the Polars on Sunday with wind chill factor decidedly unfriendly.

The Bears kicked off the first quarter in great fashion as the kids “came to play”. The quarter saw some great efforts from James Gearon and Marcus Prins and a nice run and clearance from Luke. Best passage of play saw Matty take a great mark and pass with poise to a leading Liam Golding who slotted a beautiful long goal.

The intensity continued in Q2. Michael and Quinn got busy with Lachy T also not to be outdone. We saw some great efforts also from Amelie and Archer and Luke and Lachy Hudson were not going to be left behind in what was turning into a real arm wrestle.

Third quarter was dominated by the determination of James Gearon who rebounded off the half back line time and time again with some solid marking and plain simple hungriness. Matty continued with his great games well assisted by Jono and Liam Campitelli who got those little legs pumping furiously in defence.

The dour contest flowed in to the final quarter. Matty continued his great game and the captains Michael and Quinn were holding their own. As expected Marcus Brittain and James T were generals throughout the day with Liam Golding developing into a very smooth player.

Great job Polars!

MATCH REPORTS

U9 Grizzlies

Caulfield Bears vs Mordialloc Braeside at Walter Galt Reserve

Team captains Jack and Mack led the Grizzlies out for their last full match of the season.

The first quarter started with a strong defence from the centre with the ball not moving far from the centre circle. We saw some smooth manoeuvres from Hotdog, great pickups by Jaques and some strong tackles and contesting of the ball by Otis, Hotdog, Angus, Oscar and Max bringing the ball down to the goal square and to Noah to kick a point and a goal.

The second quarter gave Mordialloc a sniff of the ball but they couldn't get through the Bears defences. Charles and Rory kicked some nice long kicks towards our goals down towards Noah who goaled again this quarter although players weren't sure whether to mark the ball or Rory's boot when he belted the ball down the field.

Change of the guards for the second half with a fresh pair of eager mid fielders. Mordialloc got a chance at the ball this quarter and they liked it kicking a goal and a few points. Luke and Cooper did a great job of contesting the ball with a great defence at Mordialloc's goal.

The final quarter was all about the Bears kicking goal after goal. The final siren saw the Bears singing uproariously and rightly so. They played a fantastic final game for the season and Coach Mike was 'very, very proud to watch... You didn't let each other down!'

U9 Kodiaks

Caulfield Bears vs Oakleigh at Koornang Park

1st quarter: Jaikaih got first possession and sent Kodiaks forward. The Oakleigh defence stood up well, and the football went end to end. Great tackling by Kodiaks pressured the Oakleigh midfield into mistakes, leading to a mark and shot on goal by Romy. Both sides struggled with the breeze. Jaikaih's clean possession and Daniel's tough repeat efforts were a stand out.

2nd quarter: Oakleigh had the advantage of the wind this quarter and kicked long using the breeze well. A mark in the goal square to Oakleigh from contested play led to a goal. A chain of handballs including Romy, Tom and Jaikaih almost led to a Kodiaks goal. Due to tough Kodiaks tackling and a great intercept mark by Lewis, Oakleigh failed to take full advantage of the wind.

3rd quarter: Kodiaks took full advantage of the wind in this game-winning quarter. Jakob took a mark and kicked a goal less than a minute from the start. More terrific tackling by the team stopped some certain Oakleigh goals. Kodiaks forced the ball forward and locked it in their forward line. Tom gathered the ball and snapped a goal from broken play. A long kick by Luca and a mark by Tom led to his second of the day. Tom had a shot at a third, but couldn't make the distance.

4th quarter: Oakleigh pressed hard, with the advantage of the wind. Kodiaks defence stood up really well. Claudia playing for Oakleigh repeatedly gave them access to contested ball. Jaikaih again led Kodiaks midfield with clean and quick disposal. A goal to Oliver. A miskick by Kodiaks coming out of defence led to a mark and goal to Oakleigh. Kodiaks defenders were tested in the last few minutes.

Difficult windy cold conditions today. The Lightning carnival next week.

Awards: Tom Ritchie, Jaikaih Honner, Phoenix McCabe
