

REQUIREMENT OF PROOF OF AGE DOCUMENT WITH NEW PLAYER APPLICATIONS

Our Club, like those in the neighbouring areas, is affiliated with the *Southern Metro Junior Football League*. No player may participate in a match until they are registered with both the League and an affiliated Club.

In order to ensure that all players are correctly registered in the appropriate age group, it is an *SMJFL* requirement that a copy of a player's birth certificate or other formal proof-of-age document (such as a passport, immunisation book etc) **must** be provided to the Club together with a completed *SMJFL application form* **IF** a new player:

- has **never** played junior football before; or
- has previously played with a team **NOT** affiliated with the SMJFL.

In order that League registrations are processed promptly, can you please provide either a copy of a birth certificate, extract of birth, passport etc to me as soon as possible.

All my details are listed below - you can either post or drop the relevant documentation to me.
