

Caulfield Bears Junior Football Club

SPONSORSHIP PROPOSAL 2018

OUR CLUB

A LITTLE ABOUT US

The Caulfield Bears Junior Football Club is a local community junior football club that was formed in 1993. The club is based at Koornang Park, which is located on the corner of Koornang Road and Munro Avenue in Carnegie (adjacent to the Caulfield Memorial Swimming Pool) and, in 2018 we are expecting to field 14 teams from Under 8 to Under 17 age groups, including for the first time in the Club's history, two girls only teams. The club also hosts an AFL Auskick Program (which is an introductory skills-based program for children aged between 5yrs to 12yrs).

The club has approx 300 registered players in it's teams plus a further 100 participants in its Auskick program—this is a total of 385 children/youths aged from 5 years to 17 years (plus family members).

The players (including Auskick participants) are from more than 250 families within the local community—these families reside in the following postcodes.

POSTCODE	NO. OF FAMILIES
3161	15
3162	15
3163	120
3165	20
3204	45
Other	25

The Club has a very strong focus on community involvement and has most recently supported it's members with fundraising efforts towards Breast Cancer Network Australia and Oxfam.

The Caulfield Bears Junior Football club has raised more than \$25,000 in donations over the last 5 years and is keen to continue supporting charities.

The club has also participated in the Glen Eira council's Party in the Park festival, organises football clinics at local schools and participates in local school fetes and the annual Carnegie Street Fair by organizing football-related activities and promotions.

The club is affiliated with the South Metro Junior Football League (SMJFL), which is the largest junior football competition in the Melbourne metropolitan region.

WHAT CAN WE OFFER TO OUR SPONSORS?

Depending on the sponsorship package you select, we offer various methods for you to access our membership with over 240 local families:

NEWSLETTER ADVERTISEMENT

We produce a weekly newsletter ("The Bear Facts") which is electronically distributed to all families within our club.

There are 15 editions of this newsletter each season and we offer you space in this newsletter to insert an advertisement for your business as well as options to include a feature article.

WEBSITE

We actively encourage our members to visit our website (www.caulfieldbears.com.au/juniorteam) as much as possible to access information. In 2017 we had approx 14,300 visitors and we expect an increase in website-visits in 2018.

All sponsors are listed on our website in a specially designated sponsors section and are offered a Hyperlink to their companies web site.

CLUBROOM SIGNAGE

We will erect a sign advertising your business in our clubrooms for the duration of our season. Our clubrooms are the central hub of our club and our members frequent these rooms at least once a week for training and on match days.

FENCE SIGNAGE

We can erect a vinyl sign advertising your business on our home ground fencing to be visible for the duration of all games on match days (usually between the hours of 8.30am–4.30pm). During match days we will have approximately 500 players, officials and family members in attendance and your sign would be visible to all these people. There are approximately 15 match days per season.

The sign must be vinyl or similar material—no hard signs or permanent signs can be erected to our ground fencing due to safety issues and council requirements.

EXCLUSIVITY

For our 'Principal and Gold Bear Sponsors' we will provide you with exclusivity in that we will not allow another sponsor from the same industry to advertise their business to our membership.

MERCHANDISE OPPORTUNITIES

Opportunities exist for you to have your business logo displayed on a variety of club merchandise and apparel items.

CERTIFICATE OF APPRECIATION

We will supply all sponsors with a 'Certificate of Appreciation' to display in their place of business as recognition of their support for our club.
