# PRESIDENTS MESSAGE

Although it was disappointing for our Under 13 team to miss out on the premiership, the whole team can take heart in how far they have come this season. Difficult grading decisions saw them having to fight it out in a higher ranked division for a few weeks and then make up ground once they returned to their rightful position.

The Coaching Team, led by Rob Beveridge have done an admirable job in managing a very large team list, balancing the needs of all the kids alongside fielding a competitive team and giving everyone a fair go.

The Grand Final against East Malvern was closely fought and the players did themselves and the Club proud.

It was heart warming to see how many supporters ventured down to Port Melbourne to cheer on the team in typical Melbourne weather – torrential rain one moment and glaring sun another. I'd like to make particular mention of the Under 16 squad who were out in force cheering on their fellow club members and providing the most memorable cheer squad behind the goals. Acts like this demonstrate the enormous club spirit and loyalty that is alive and well at the Bears and what community sport is all about.

With just one more game of football left for the Bears in 2017, please keep an eye out for details of the Under 16 Grand Final that will be played next Sunday (3rd September) and come down to show your support.

### Game Highlights:

What a season, started with some big wins in the grading matches, went up a grade lost by big margins, came back to Div 3. Lost some early games then finally got on a bit of a roll, putting I think 3 wins together then a loss and then a win last round to get into 4th place. The elimination final thriller to win by a point and to get in the Grand Final. The final result did not go our way but everyone had a fair crack. We would like to thank everyone who made this year a great experience.
